

## THE EXPERIENCE

---

### Day 1 ARRIVE DELHI

---

Today you will arrive at Delhi's International Airport. Following customs, immigration formalities and baggage collection, a LUMLE representative will meet you as you exit the arrivals terminal building and transfer you to your hotel.

Perhaps there is no other capital city in the world so steeped in history and legend as the Indian capital Delhi. It was the magnet, which drew the Mongols, Turks, Persians, Afghans, Mughals and the British, all of whom contributed to its glorious but turbulent past. The fascination with Delhi was such that even though it was abandoned many times, its rulers returned to it again and again rebuilding it at least seven times. Today, the twin cities of Old and New Delhi still intrigue Indians and tourists alike as the cultural and political capital of the largest democracy in the world.

Overnight is in Delhi

### Day 3 DELHI – AGRA

---

After breakfast you begin your journey to Agra (214 Km /5 Hrs).

Upon arrival in Agra you will check-in at your hotel and a representative will assist you to complete your check-in formalities.

Agra came into the limelight during the rule of the Afghan King Sikandar Lodhi - who had made it the capital of his empire. Later in 1526 A.D., the Mughal Emperor Babar took upon himself the task for rendering Agra, a unique character and beauty of its own. The next few hundred years of Agra witnessed the rise of the pomp and pageantry of three great Mughal monarchs - Emperor Akbar, Jehangir and Shahjahan. In modern times, the city of Agra is a thriving carpet industry where you can also find leather workers, sandstone and marble sculptors, some of whom claim to be direct descendants of the craftsmen who had helped build the Taj Mahal.

Visit the Taj Mahal, monument remain closed on all Fridays. Taj Mahal was built by an emperor in memory of his beloved queen. Construction of the Taj Mahal began in 1631, and is believed to have taken 18 years to complete, with over 20,000 craftsmen working around the clock. The design and construction is said to be that of the legendary architect, Ustad Ahmad Lahori. What makes the Taj Mahal unique is its perfect proportions, distinct femininity, medium of construction and ornamentation. Its marble exterior reflects rose and golden tints at sunrise and sunset, while it is dazzling white during the day. It is impossible to visualize the Taj Mahal in any surrounding others

than its paradoxical garden. Paradise, in Islam, is visualized as a lush garden where running streams flow.

Later visit the impressive Agra Fort, the seat and stronghold of the Mughal Empire for successive generations. The buildings within this sprawling fort complex represent the assimilation of different cultures, which was the mark of the Mughal period. Most of the structures within the Agra fort are a mixture of different architectural styles.

Overnight at the hotel.

#### **Day 4      AGRA – JAIPUR**

Today you will be proceeding to Taj Mahal for sunrise (without guide) and drive to Jaipur.

Enroute you'll visit Fatehpur Sikri and see famous Buland Darwaja, Panch Mahal and Mughal architecture. Arrive in Jaipur and transfer to hotel.

The palace itself is within the enormous fort complex and is replete with halls, gardens, pavilions, and temples. The Hall of Mirrors is not to be missed where one lit matchstick can illuminate the entire room.

You will ascend the fort on elegantly draped elephants (subject to availability) or by Jeeps.

Later proceed to visit the City Palace Museum where you can see an imposing blend of traditional Rajasthani and Mughal Art. The museum is resplendent with its collection of robes of royal princes, carpets, an armoury of old weapons, miniature paintings portraying court scenes, battle scenes and processions. Also visit the awe inspiring Jantar Mantar (an accurate observatory built in 1726 AD).

Your tour also included is a photo visit at the Hawa Mahal (Palace of Winds) - a five storied wonder with a spectacular pyramidal facade and overhanging windows with latticed screens, domes and spires.
